

SPARK

FIND **NEW** ROADS

**WHY JUST GO
FROM A TO B**

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE.

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that each one leads us to some place we're not – but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

FITS YOUR WORLD PERFECTLY. Chevrolet Spark represents the flair to live out loud and go further. This unique 5-door city car is both practical and versatile. It's fun to drive: nippy and nimble around town, yet comfortable and smooth on the open road, making it ideal for the urban

environment. Spark really stands out, thanks to its expressive design and stylish features. It's the perfect car – with low running and maintenance costs – for young, vibrant people who have that spirited, enthusiastic view of life.

FITS YOUR FUN-LOVING COLOURFUL PERSONALITY.

Ask any owner what Spark is like to drive and the grin on their face will tell you all you need to know. Take Spark for a test drive and you'll really be inspired by the freedom and confidence you

experience. Whichever way you look at it, and whatever colour you like it to be, Spark isn't just your average city car. Spark comes in a range of vibrant colours, including four new variances, to complement its funky exterior design.

It's an inspirational city vehicle that refuses to follow the beaten track. A car that creates a whole new path for itself and is really fun to drive – sprightly and manoeuvrable, perfect for urban living.

FITS YOUR STYLE. Spark's uniqueness shows in its amazing exterior details – such as the integrated rear-door handles; sculpted headlights; stylishly designed radiator grill, headlamp covers and fog lamps; and streamlined bumpers.

Plus it has an impressive rear fascia, large integrated rear spoiler, charming tail lamps and striking raised wheel arches, which do far more than just give the car a sporty, assertive stance.

They also help improve aerodynamics, increasing fuel efficiency, with great economy. With Spark's strikingly expressive design, looking stylish has never been so easy.

FITS YOUR LIFESTYLE. Spark offers an amazing amount of space for a mini car. Five comfortable seats for you and four of your friends. When it comes to loading the weekly shopping, Spark's five doors allow easy access. Its generous interior

boasts an impressively flexible 60/40 split-fold seating arrangement, and with 873 litres of luggage space when the seats are folded. Spark's interior also offers a host of other little luxuries like the height-adjustable driver's seat.

FITS YOUR TASTE. It's often the smallest details that make something so special. Simple ideas that add value to Spark's cabin, and help to make the best use of space, ground-breaking solutions such as a stylish centre console with

an integrated audio system. This includes a CD player and AUX-IN and USB port for your iPod/MP3 players, plus Bluetooth® connectivity so you can make and take phone calls safely. Original details – like seats with fabric centres

and leatherette sides on top-level versions –, and the selection of trim and body colours that perfectly reflect your taste.

FITS YOUR SAFETY REQUIREMENTS. Spark received the top-rated 4 stars in the Euro NCAP rating thanks to these features:

- Four independent crumple zones;
- Six airbags, standard on all trims, to protect occupants against impacts from any direction
- Advanced steel construction
- Anti-lock braking system with Electronic Brake force Distribution (EBD)

- Standard ISOFIX® child seat fixings on the outer rear two seats
- Standard Electronic Stability Control (ESC) that come with Traction Control System (TCS), Hydraulic Brake Assist System (HBA) and Active Rollover Protection (ARP)

All in all, Spark's additional safety features make driving a pleasure, while ensuring your confidence and trust in the car.

- 01 Door moldings
- 02 Cargo organizer
- 03 Roof bike carrier
- 04 Garmin® Navigation System
- 05 Cargo tray

A full accessories list can be found at your local Chevrolet dealer.

FITS YOUR NEEDS. Whatever your interests, Spark understands your world like no other. Spark is created for individuals who go their

own way – for people like you who stand apart from the crowd and do their own thing. And, for that very reason, Spark offers you a whole host of

extra accessories to help you enjoy your leisure moments.

The information contained in this brochure was accurate at the time of going to press. Chevrolet Central and Eastern Europe LLC. is constantly seeking ways to improve the specification, design and production of its vehicles and accessories, and alterations take place continually.

Whilst every effort is made to produce up-to-date literature, this market brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for sale of any particular vehicle and accessories. Illustrated optional equipment is available at extra charge. Availability, technical features and equipment provided on our vehicles can vary from one market to another and may change without prior notice. Owing to the print limitations of reproducing paint colours on paper, the colours shown here can only be taken as a general guide to the range of colours available. Information on recycling design, recycling End of Life Vehicles (ELV) and the return locations of ELVs can be found on the website www.chevrolet-europe.com
